DEGREES

- Industrial Chemical Technician (1978)
- BSc in Industrial Chemistry — UCA (1987)
- Pharmacist — UNR (1988)
- Specialist in Occupational Health and Safety — UCA (2003)
- MSc in Environmental Engineering and Sustainable Development — UCA (2006)

AREAS OF EXPERTISE

- Environmental analysis (water, air, soil)
- Effluent and emissions treatment
- Environmental and food microbiology
- Environmental impact and liability assessment
- Health, safety and risk analysis
- Hydrogeology and contaminant modeling
- Laboratory accreditation (ISO/IEC 17025)
- Expert witnessing and technical-legal consulting

PROFESSIONAL LICENSES

- Assoc. of Specialist Engineers of Santa Fe, 2nd D. — Lic. 2-0511-7 (Industrial Chemistry)
- Assoc. of Specialist Engineers of Santa Fe, 2nd D. — Lic. 2-2127-91 (Health & Safety)
- Assoc. of Pharmacists of Santa Fe, 2nd Dist. — Lic. 2368
- Professional Council of Chemistry of Buenos Aires — Lic. 4471

PROFESSIONAL PROFILE

Professional with over three decades of experience bridging industrial chemistry, pharmacy and environmental engineering. Director of the BioGroup Scientific and Technological Research Center (since 1998) and full university professor at undergraduate and postgraduate level (UCA, UTN and UBA). Registered environmental consultant, expert witness and registered environmental expert, with extensive experience in water, air and soil analysis, effluent treatment, microbiology, environmental impact and liability assessment, health and safety, hydrogeology and laboratory accreditation (ISO/IEC 17025). A profile that combines academic and technical depth with a commercial and management orientation, applied to solving concrete industrial and environmental problems.

HIGHLIGHTS

- Director of BioGroup — laboratory accredited to ISO/IEC 17025 (since 1998).
- 25+ years of university teaching; Tenured Professor, UCA (2010).
- Advisor to the Natural Resources Committee, National Chamber of Deputies of Argentina (2016–2018).
- Registered EIA Consultant No. 251 (national) and registered environmental expert (Santa Fe No. 060; Buenos Aires, Law 11,459, No. 1902).
- Member of the International Association of Hydrological Sciences (UK).
- Author of numerous publications and conference papers, and of the book «Papers» (2023).

EDUCATION

- 1978 National Council of Technical Education N°7 "Estanislao Zeballos" - Rosario.
- Degree: Industrial Chemical Technician

Undergraduate Degrees

- 1987 Argentine Catholic University (UCA) - Catholic School of Chemistry and Engineering "Fray Rogelio Bacon" - Rosario.
- Degree: Bachelor in Industrial Chemistry.
- 1988 National University of Rosario (UNR) - School of Biochemical and Pharmaceutical Sciences - Rosario.
- Degree: Pharmacist.

Postgraduate Degrees

- 2003 School of Chemistry and Engineering - Argentine Catholic University (UCA).
- Degree: Specialization in Occupational Health and Safety.
- 2006 School of Chemistry and Engineering - Argentine Catholic University (UCA).
- Degree: Master's in Environmental Engineering and Sustainable Development.

PROFESSIONAL ASSOCIATION MEMBERSHIPS

- Association of Specialist Engineers of Santa Fe Province, 2nd District, License No. N° 2-0511-7 (Bachelor in Industrial Chemistry).
- Association of Specialist Engineers of Santa Fe Province, 2nd District, License No. N° 2-2127-91 (Especialista in Occupational Health and Safety).
- Association of Pharmacists of Santa Fe Province. Second District. License No. N° 2368.
- Professional Council of Chemistry of Buenos Aires Province. License No. N° 4471.

REGISTRATIONS AND CERTIFICATIONS

- Registered as a Consultant in Environmental Impact Studies N° 251 in the Secretariat of Sustainable Development and Environmental Policy, Ministry of Social Development and Environment. Buenos Aires. Argentina.
- Undersecretariat of Environment and Ecology of the Province of Santa Fe, Area Control of Vertimiento of Wastewater and Recursos Hídricos for Project Design, Technical Management and Commissioning of Industrial and Urban Wastewater Treatment Plants. License No. N° 107.
- Registered in the Official Registry of Environmental Consultants, Experts and Forensic Experts of the Province of Santa Fe N° 060.
- Registered in the Registry of Professionals for Environmental Studies, Law N° 11.459 and su implementing decree N° 1741/96. Registered N° 1902.
- Registered with the Agency for Sustainable Development (OPDS) of the Prov. of Buenos Aires.
- Member of the International Association of Hydrological Sciences, Institute of Hydrology, Wallingford, Oxfordshire, UK.

TEACHING EXPERIENCE

- Appointed Tenured Professor by the Argentine Catholic University. Appointment and tribute ceremony held at the Auditorio Juan Pablo II of the UCA, Puerto Madero, BA, el miércoles 22 of septiembre of 2010.
- Recognition for 25 years of teaching dedication at the School of Chemistry and Engineering, UCA, Rosario, distinction received at the academic degree ceremony held in Octubre of 2013.

Undergraduate Programs

- since 01/03/04 and ongoing como Full Professor of the course Processes in Environmental Engineering part of the programs in Environmental Engineering. Catholic School of Chemistry and Engineering. UCA.
- since 01/02/05 until 01/08/14 como Full Professor of the course Food Microbiology in the program in Bachelor's degree in Food Technology. Catholic School of Chemistry and Engineering. UCA.
- since 01/04/97 until 01/03/04 como Full Professor of the course Biology and Microbiology part of the programs in Environmental Engineering, Bachelor's degree in Environmental Sciences and University Environmental Analyst. Catholic School of Chemistry and Engineering. UCA.
- since 01/04/88 until 01/04/97 I served as Assistant Professor of the course Physics I of the 2nd year of the program in Bachelor's degree in Industrial Chemistry. Catholic School of Chemistry and Engineering. UCA.
- since 01/04/90 until 01/08/14 como Full Professor of the course Industrial Microbiology of the 5th year of the program in Bachelor's degree in Industrial Chemistry. Catholic School of Chemistry and Engineering. UCA.
- since 01/04/88 until 01/08/14 como Full Professor of the course Food Analysis of the 3rd year of the program in Industrial Analytical Chemist. Catholic School of Chemistry and Engineering. UCA.

Postgraduate Programs

- since 01/04/14 and ongoing como Full Professor of the course “Remediation of Contaminated Sites” in the Master's in Environmental Engineering que se dicta in the National Technological University (UTN) of Rosario.
- since 01/03/03 and ongoing como Full Professor of the course “Environmental Microbiology “of the Master's in Environmental Engineering and Sustainable Development. Catholic School of Chemistry and Engineering. UCA.
- since 01/03/03 and ongoing como Full Professor of the course “Ecotoxicology” of the Master's in Environmental Engineering and Sustainable Development. Catholic School of Chemistry and Engineering. UCA.
- since 01/03/06 and ongoing como Full Professor of the course “Environmental Pollution” of the Specialization in Occupational Health and Safety. Catholic School of Chemistry and Engineering. UCA.
- since 20/05/99 and until 31/12/99 Full Professor of the course Environmental Management 1 and 2 of the Posgrado “Environmental Management”. Catholic School of Chemistry and Engineering. UCA.
- since 6/21 and ongoing como Full Professor of the course “Industrial Effluents and Gaseous Emissions in the Food Industry” Diploma Program in Sustainability in the Food Industry. School of Agronomy. UBA.

PROFESSIONAL BACKGROUND

- Director of the Scientific and Technological Research Center “BioGroup”. since Aug 1998 and continúa.
- Advisor to the Committee of Natural Resources and Conservation of the Human Environment of the Honorable Chamber of Deputies of the Nation. National Congress. since Apr 2016 until Apr 2018.
- Former Director of the Colegio of Ingenieros Especialistas of the Prov. of Santa Fe, District II. since 01/04/99 until 01/10/10.
- Former Head of the Department Chemistry of the Catholic School of Chemistry and Engineering "Fray Rogelio Bacon" - Rosario. since Mar 1995 until Dec 1998.
- Former Director of the Laboratorio of the Catholic School of Chemistry and Engineering "Fray Rogelio Bacon". Laboratorio L310 Oficializado por el Servicio Nacional of Sanidad and Quality Agroalimentaria (SENASA) certificado according to ISO 17025. since Mar 1996 until Mar 2012.
- Former Coordinator of the "Hot Line" Information Line SIDA Rosario under the World Health Organization (OMS). since Aug 1988 until Dec 1992.
- Former Full Member of the AIDS Prevention Committee (COPRES-Rosario). O.N.G. since Sep 1987 until Dec 1992.
